

What Pastors Say

"The training emphasized every important topic and provided extremely helpful tools. It's the best material I have been exposed to—even better than classes I took in seminary."

Tom Schiave, Sr Pastor, Gateway Baptist

"Going through MarriageTeam coaching with my wife has really saved our marriage in the sense of wanting to truly understand each other. On a scale of 1 - 10, with 10 being the best, I would give it an 11!"

Chris, Family Pastor, Vancouver, WA

What Couples Say

"We'd been in counseling for a year and a half and were still on the brink of divorce. I didn't expect anything to change, coaching saved our marriage."

"I am no longer angry. I feel loved again. We are intimate again."

"I had three divorces and five abandoned children. The coaches have shown me what communication is and how it is necessary on a team. A TEAM MARRIAGE – WHAT A CONCEPT! My thanks and undying love go to our coaches."

"I cannot believe we are actually still together and how great things are. My husband remembers what to say and quotes things from our coaching. I thank you from the bottom of my heart. The word divorce is no longer mentioned in our house."

"Words cannot express our thanks and gratitude for your dedication and devotion to coaching and guiding us through a challenging time in our marriage."
